

Leapster2[®] Art Studio

To access the Leapster2 Art Studio online, you first need to download and install the LeapFrog Connect Application on your computer.

If you haven't already downloaded the application, [click here to download LeapFrog Connect](#).

Important note: You must be connected to the Internet to download LeapFrog Connect

Once you've installed the LeapFrog Connect Application, click **Set up your Leapster2** and follow the onscreen instructions to connect your handheld to your computer with the included USB cable, set up a LeapFrog parent account and enter information about who plays with the toy.

If you have already downloaded and installed LeapFrog Connect on your computer, you can launch LeapFrog Connect by clicking on the LeapFrog Connect icon on your computer desktop or launch it from your computer's program files.

Leapster2[®] Art Studio

Now you'll be directed to the LeapFrog Connect home page.

All of the LeapFrog toys that you have connected will be displayed in the center of the screen. Click a Leapster2 player name to enter the Leapster2 view.

Note: If you see a yellow button with an exclamation mark next to any player name, that means your toy is not completely set up. Click the yellow button and follow the on-screen instructions to complete your toy setup.

Leapster2[®] Art Studio

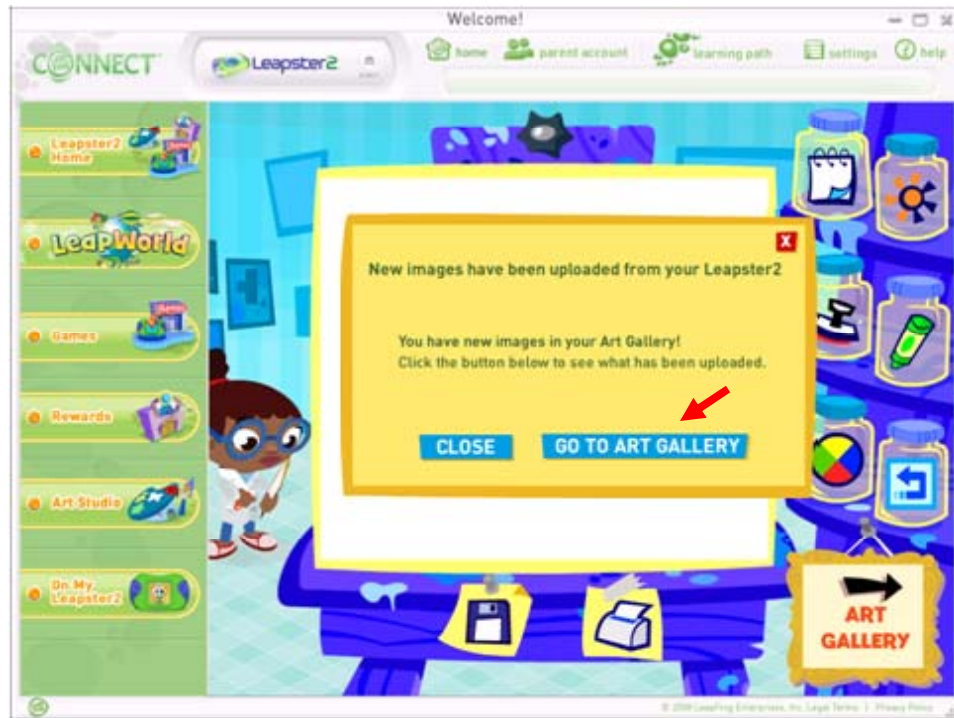

Next, you'll see the Leapster2 home page. The Leapster2 home page in LeapFrog Connect includes fun and easy ways for your child to create, save, edit and view their artwork.

To create art, your child should first click on the **Art Studio** icon or tab.

*Note: If you see a message prompting you to complete your account, it means that your toy is not fully set up. Click **Complete Leapster2 setup** to complete this step.*

Leapster2® Art Studio

Images your child has created on their Leapster2 handheld since you last connected it to your computer will be automatically uploaded to the Art Gallery.

To view these new images in the Art Gallery, click **GO TO ART GALLERY** at the prompt. You can also click **CLOSE** if you do not wish to view the images.

Leapster2[®] Art Studio

In Art Studio your child can select a background, choose which color to draw with and even add a variety of animated stamps to their picture.

When your child is done with their picture, they can save it to their Art Gallery by clicking the floppy disk icon. You can even print your child's picture on your printer by clicking the print icon.

Leapster2[®] Art Studio

In the Art Gallery, your child can view all the pictures he or she created. Up to 100 pictures can be saved.

By clicking on a picture, your child can edit their pictures.
