

Dear LeapFrog Parent,

LeapFrog account registration is now live! It is time to create your LeapFrog account to access all the benefits of your LeapFrog connected product.

A LeapFrog account gives you access to all the online features included with your LeapFrog connected products such as the ability to print your child's Tag™ and Leapster2 reward certificates to share in his/her achievements, save pictures in the Leapster2 art gallery and customize the curriculum and game downloads for Didj™.

In addition to these valuable child features, completing your account gives all product owners access to the LeapFrog Learning Path, a free tool that provides:

- ◆ Personalized insights into your child's play and learning delivered right to your mailbox
- ◆ Online access to additional play details such as time spent playing, percent correct, sample questions and more
- ◆ A personalized roadmap to all the skills your child is exploring to help cultivate his/her interests and passions
- ◆ Ideas and activities to expand the learning and fun

Plus, when you complete your account profile, you will receive a special Welcome Offer to SAVE 10-20% on your next LeapFrog purchase!

Please take a few minutes to create a LeapFrog account and enjoy all the benefits of your LeapFrog products and the Learning Path. See instructions for creating a new LeapFrog account [here](#).

Thank you for being a LeapFrog Parent.

Sincerely,  
Your LeapFrog Learning Team
